

ISDN 30 pricing options

Prices effective from 1st March 2004

Pricing Options

Connection Charges	Cost per channel 1 year term contract	Cost per channel 3-5 year term contract	Cost per channel 3-5 year term contract and BT Commitment
First 15 channels each	£125*	£80*	£0*
Each subsequent channel	£30	£15	£0
Block of 15 channels	£62.50**	£62.50**	
DDI connection charges	Planning fee charged at £100 per number range. Connection charges of £10 per block of 10 numbers for Non-Quota System. Connection charge of £1 per individual DDI number for Quota System (£10 per block of 10 DDI numbers minimum).		

*8 channels minimum entry level. **ISDN 30 connection charges for customer premises where suitable BT 2Mb digital line plant exists.

Examples – excluding DDI

A connection of 20 channels on a 1 year term contract costs £2,025. A connection of 20 channels on a 3-5 year term contract costs £1,275.

Note: You can reconnect to BT for free where there is an existing line and suitable equipment.

Rental Charges

Product	Cost per channel for DDI Quota	Cost per channel for DDI Non-Quota
30e/l.421 and DASS2	£52.08 per quarter	£45.58 per quarter

DDI Quota System

DDI Quota Pricing is independent of channel rentals. A Quota of DDI numbers is available at a cost of £1 per DDI number at an installation according to the number of ISDN 30 DDI Quota channels rented at that installation (£10 per block of 10 DDI numbers minimum). An example of the Quota is a site where 10 channels are allocated 100 DDI numbers.

Note: Customers can only order DDI Quota in blocks of 10 DDI numbers per channel and must take up the full allocation of 10 DDI numbers per channel.

DDI Non-Quota Systems

DDI Non-Quota pricing is independent of channel rentals. DDI numbers are available at £1.10 per quarter per DDI number and in blocks of 10 minimum (10 x £1.10). This is available as an option if smaller amounts of DDI numbers are required or to top-up either DDI Quota or Bulk DDI

Bulk DDI Rental Options

For customers requiring large amounts of DDI numbers per channel, a Bulk DDI payment plan is available. There is a fixed charge of £475 per quarter for the whole installation. Then for just £99 connection and £34 per quarter rental per channel, in addition to the normal Rental Charges without a DDI quota, you can allocate up to 100 DDI numbers per channel.

Note: Bulk DDI must be applied across all channels for any given installation.

Term contract discounts	3 year contract	5 year contract
	5% discount on rental	10% discount on rental

Call Charges	Voice calls to any destination	Inland data calls	International data calls
	Normal telephone charges	Normal telephone charges	See international data price sheet
